Tribute to Bill Walker.

It is with great sadness that we reflect on the passing of Bill Walker who died in August after being diagnosed with a brain tumour in 2017. Bill was a founder member of Village Concerns and made a huge contribution to our campaign.

Bill was born in Dover in 1952 but grew up in the village of Buckden in Huntingdonshire. Lorraine and Bill lived in Ringmer before moving to East Hoathly and it is perhaps these experiences of village life that made him so passionate in his fight for Village Concerns.

He was a man of great talents and was able to meld a very successful career in electronics with a love of motorcycles and flamenco guitar.

However, his family was the central devotion of his life with whom he was able to enjoy an active and musical harmony and, much to his delight, the recent arrival of grandchildren.

Bill would have been so pleased with the rejection of the appeal to build 2 homes at the top of Buttsfield Lane. His intellect and enthusiasm are sorely missed but we still feel his presence whilst we continue the fight he started.
