## **Circle of Oaks South Street - 32 Homes**

### **Planning Application WD/2018/2741/MAO**

Those of you who have objected before to this application should have been informed that new additional documents have been submitted on December 16<sup>th</sup> 2019 by the developer.

Village Concerns have looked at these documents and they are for very minor amendments to the layout reducing the number of homes from 32 to 29. This is a Planning Application for outline only. It is quite possible if outline planning permission was given the number of houses could be increased before building began.

**It is important that we continue to register our objections to the application despite these amendments.**

**This can be done very quickly by email by Jan 3<sup>rd</sup> 2020. There is no online option for this.**

**[Planning@wealden.gov.uk](mailto:Planning@wealden.gov.uk)**

**Suggested wording**

**I have noted the amendments to application WD/2018/2741/MAO.**

**However, the fundamental reasons for refusal stated in my original objection still stand.**

**Please reject this application.**
