**Date:** 10 August 2022 at 09:30  
**To:** Village Concerns villageconcerns2016@gmail.com

Wealden District Council changed the agenda of Planning Committee South late yesterday meaning that Hesmonds is not coming before the committee till 12:30.

We are now asking people to come at 12 noon with their placards for a protest outside and then to go into the meeting, if they wish to attend for 12:30.

This is only for 30 minutes outside, but as it will be hot, please bring enough water for yourself, wear a hat or bring a parasol.

This late change by Wealden is very unfair and disruptive.

We hope you can be there at the new time to make our presence felt both outside and inside the offices.

We attach our poster. Please email to your friends, neighbours or print and put it up for the next 24 hours in your window or on your gate.

Thank you.

**PROTEST AGAINST THE HESMONDS 205**  
**ON THURSDAY MORNING, 11<sup>TH</sup> AUGUST, AT NOON FOR 30 MINUTES ONLY, PLEASE**  
**OUR PLANNING APPLICATION IS SCHEDULED TO BE DISCUSSED**

**AROUND 12:30PM. THIS WAS A LATE CHANGE ON TUESDAY BY WEALDEN.**

OUTSIDE WEALDEN DISTRICT COUNCIL OFFICES, IN HAILSHAM

**GET YOUR PLACARDS READY!** Say what you like on your placard.

We have heard from Wealden that no more than 24 people will be allowed into the Council Chambers to listen to the debate, which includes three Village Concerns members from the Steering Group speaking against the Application. Inside the Council Chambers you have to remain completely quiet. Please respect this.

*Outside you can make your views known.*

*Important information. We need people both at the front and back entrances – where the staff car park is – as the Wealden Councillors may try to avoid the front and we would like them to be aware of you and the Placards.*

Let us show them how we feel about East Hoathly being overdeveloped.

**205 is too many - reduce it now**

**Don't harm the heritage assets - listen to Historic England**

**Protect and enhance nature - don't dig it up - don't chop it down**

**Protect wildlife - don't destroy habitats and natural corridors**

**Don't build car dependent dormitories**

**Do something about the climate emergency**

**Don't add to sewage discharge into our rivers**

Car pool if you can.

Please try and join us. Ask your family, friends and neighbours to attend with you.

This is a chance to show them how much we care and they must change these plans.
