Subject: Update 104 South Street Appeal Deadline looming
Date: 26 November 2020 at 07:20
To: Village Concerns villageconcerns2016@gmail.com

Apologies for this rather rapid succession of Updates, but Wealden are dictating this see all below.

1. Planning Inspectorate Reference: APP/C1435/W/20/3257830

This is an Appeal on behalf of the Applicant because the South Street Planning Application for 55 new homes was rejected by Planning Committee South.

The consultation for this appeal with the Planning Inspector ends on December 3rd and there is still time to comment.

Update 102 gives points in detail that can be part of your submission.

The link to do your submission is:

<https://acp.planninginspectorate.gov.uk/ViewCase.aspx?caseid=3257830>

Once there, click on the: Make representation tab box clearly seen. From there, click on the save and continue tab which will take you to the Form to fill out.

2. We now have a new Planning Application number, WD/2020/1848/MAO, for the same site. In other words, South Street Version Three.

The Applicant is trying again to usurp the Appeal process and decision.

Meanwhile, we need all of you to object again – previous objections will not be counted. We know this is a lot to ask, but it is still important to continue to try to protect the Village.

We will be providing guidance for this at the beginning of December. The deadline is **December 25th** – nice!

3. Wealden's new Local Plan consultation with the public continues and that deadline is **January 18th**. We will be providing guidelines for this too, and also encourage residents of this Parish to have their voices heard.

Thank you.
