---

## **WD/2020/1848/MAO**

**Though the online deadline has passed, you can still email or post your objections into Wealden.**

We have had about 35 objections. The previous two applications for the same site have generated about 100. Your previous objections do not count and we would love to have a lot more submitted for this Planning Application. Anyone in your household over 18 can send in a separate objection. The more the better. And please encourage family, friends and neighbours to do so.

Suggested wording:

*We object to this Application because it is an encroachment on the countryside and not compliant with Wealden's current Planning Policy. It seeks to build 50 homes which are not needed in this barely sustainable Village where there are no school places, jobs and an infrastructure that is overloaded and struggling. It will force more vehicles onto the congested A22 and through the Conservation area of the Village and cause further damage to the Ashdown Forest. New residents would be totally car dependent. This is not sustainable development.*

*A Planning Application for 205 houses has been given in July 2020 which will put intolerable strain on the Village. There is no earmarked Community Infrastructure Levy (CIL) funding for improving the infrastructure in the Village.*

You can make an objection to the current planning application by:

1. Commenting by email to: [planning@wealden.gov.uk](mailto:planning@wealden.gov.uk) citing the Planning Application Number, WD/2020/1848/MAO

Include your name and address.

2. Or via post, quoting the application number WD/2020/1848/MAO, and include your name and address to:

Mrs C Turner

Planning  
Wealden District Council  
Council Offices,  
Vicarage Lane,  
Hailsham,  
BN27 2AX

*You are in receipt of this email because you have previously requested to be part of Village Concerns email list. If you no longer wish to receive these emails please let us know.*

**Stay safe during these difficult times.**
