Re the Hesmonds 205 new homes. You may / should have received the consultation update from Redrow to meet with the Village on Wednesday, November 10th from 4 - 7:30pm in the Village Hall. They have mentioned in the communication the following:

"Redrow has decided to prepare a separate full planning application. This means that Wealden District Council and the local community will have a fresh opportunity to review the plans, ask questions and offer feedback."

Village Concerns encourage residents to attend the consultation and ask pertinent questions noting that Redrow intend to put in a full planning application. The Steering Group are considering this latest move and will offer advice about issues to raise at the consultation very shortly.
