## Planning Meeting for Hesmonds

Planning Committee South is hearing Hesmonds 205 on Thursday, October 6<sup>th</sup> in the morning. The meeting starts at 10 am and is held in the Civic Community Hall Wealden District Council, Vicarage Lane, Hailsham BN27 2AX.

It is first on the Agenda after the preliminaries.

Village Concerns are working hard on speeches and further objections, but we need your support. Please try to attend the meeting so that we have a strong physical presence which will be felt by the Councillors.

We would like the room to be full, but you have to be silent as difficult as that may be, otherwise they may ask you to leave. Mind your facial expressions are not banned.

This Application was deferred on August 11th because of the meeting between Southern Water and Wealden District Council on Monday, September 26<sup>th</sup>. We do not know the outcome of this meeting, but no sooner had the meeting taken place, then this Application has come back to the Planning Committee South.

What we do know from the Officer's Report is that there is no mention of the September 26<sup>th</sup> meeting. Therefore, the Application is being heard again without considering the meeting for which it was deferred. Is this ethical? Village Concerns does not believe so and has questioned Wealden Planning and the Executive about this. We are yet to hear back from them.

That is why we need your presence so the Planning Committee South can see how much East Hoathly residents are so concerned and concerned about what is proposed for their village.

Please try and make the time to sit in the Chamber.

You have to be there for their 10am start. If you wish to stand outside as well from 9.30 with a banner before the meeting please do

Car share if you can. There is plenty of free parking and please contact us if you need a lift.

*You are in receipt of this email because you have previously requested to be part of the Village Concerns email list. If you no longer wish to receive these emails, please let us know.*
