NEIGHBOURHOOD PLAN

To discuss, amend as appropriate, approve and agree next steps regarding the Character Appraisal

To discuss, amend as appropriate, approve and agree next steps regarding the Submission Neighbourhood Plan

from Village Concerns: the Neighbourhood Plan is very important for many reasons not least because of the following:

260 Homes - without a NP Wealden gets £5,558,840 and *the Parish only gets £67,000*
260 Homes - with NP Wealden gets £4,219,380 and *the Parish gets £1,406,460*

and second, from Gov.uk (Village Concerns emphasis of where in bold and underlined)

“Neighbourhood planning is a new way for communities to have a say in the future of the places where they live and work. It gives you the power to produce a plan with real legal weight that directs development in your local area. It helps you:

- choose **where** you want new homes, shops and offices to be built
- have your say on what those new buildings should look like”

This may, may just protect the Parish from future over-development, so please try to attend the meeting, thank you.
