The Wealden District Council Regulation 16 Consultation went live yesterday morning at 9 am. Supporters can access the latest documents on the WDC website or the Neighbourhood Plan website: <https://easthoathlyhallandneighbourhoodplan.co.uk/index.html>

However, if they wish to comment they must do so through the Wealden site or on WDC response forms available as directed on the attached poster. The previous Regulation 14 Consultation was on a draft document on which we received a large number of comments. Each of those comments has been addressed and answered in the Consultation Statement. The draft plan was amended to reflect the comments and has now become the Submission EHHNP. This Regulation 16 Consultation is an opportunity for those who made comments to see what response they received. Further comments are, nonetheless, very welcome.

It is critical that this Consultation is taken seriously as Neighbourhood Plans are the way for residents of East Hoathly and Halland to have a say about their Villages. The Steering Committee of Village Concerns encourages our supporters to participate in this democratic process.

Thank you.
