As many of you are painfully aware, Parker Dann propose to hold a consultation on Thursday 9th May between 2pm and 8pm regarding proposed developments on Tourles Farm and Harrison's Field (the field next to Decoy Lodge near the Shaw Roundabout and the allotments), we have attached a copy of the Parker Dann flyer received by residents last Friday.

It is not only critical that as many of us attend this consultation as possible, but we must also recognise that the notice period for this consultation is unreasonably short.

As residents of East Hoathly, we have recently been bombarded with key community meetings such as Parish Council Meetings, Draft Local Plan Consultations etc. We need more time to plan for such a critical consultation which will ultimately determine the future of the village.

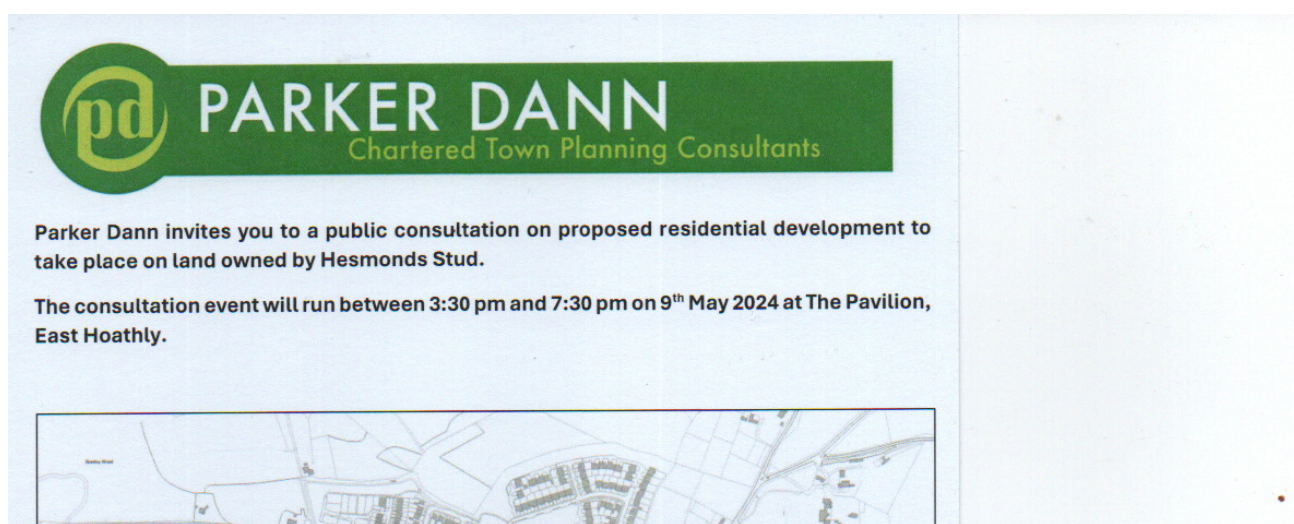

We urge our supporters to email Mark Best at Parker Dann ( [mark@parkerdann.co.uk](mailto:mark@parkerdann.co.uk) ) with a cc to Wealden District Council Planning Department ( [planning@wealden.gov.uk](mailto:planning@wealden.gov.uk) ) and our Parish Council ( [easthoathlywithhallandpc@gmail.com](mailto:easthoathlywithhallandpc@gmail.com) ) to request that this consultation be postponed until next month.

This will give our parish time to digest the overwhelming amount of information we have already received. We need time to engage in this consultation as a community, the least Parker Dann can do, is give us this time.

Thank you.
