**A new application** has just gone in for 34 houses in the Green gap on South Street where the circle of oaks and the old stables are situated.

We are studying the documents and will be giving advice regarding objections. The deadline for objections on line is November 1st 2019.

The Planning application can be viewed on the link below.

If you are directly affected by the application and already have reasons to object please let us know so that we can incorporate these into our advice.

#### **Other news**

1) The appeal for two houses at the top of Buttsfield Lane has been dismissed.

2) We are still awaiting the appeal decision re 74 houses at the bottom of South St..

3) Wealden are still waiting for the Inspector's report for the Wealden Submission Local Plan. In its original form the Plan is favourable for East Hoathly but we do not know what modifications the Inspector will propose or the modifications Wealden will accept.

#### **Village Concerns AGM**

The AGM will take place on Oct 29th at 7.30pm in the Village Hall
