Planning Decision on Thursday, May 21st 2020

South Street application for 55 houses

Many of you will have received notification yesterday that application WD/2019/1674/MAO is coming before Planning Committee South on May 21st 2020. Wealden Planning Officers have recommended Approval.

The Planning Committee Meeting will be held remotely. You can view the meeting live from 10.30 am on May 21st am onwards Follow the link below.

You will need to have downloaded Microsoft Teams to view the meeting.

Three speakers from the Village registered yesterday to speak against the application. This will be done by preparing a media file which Councillors will view before the meeting. These files will not be shown during the meeting unfortunately. Village Concerns feel this is not a fully democratic process for the public and have queried procedures, but this is the current situation. We are doing our very best to represent you in the circumstances.

If you have not done so already you can still register an objection to this application as we stated in Update 85. There is strength in numbers of objections.

Email asap to:

Quote application number WD/2019/1674/MAO

If you have objected before

Despite the amendments to this application my objection still stands.
