Could you let Village Concerns know if you experience any difficulties as well. In the interests of a democratic planning system, open to the public, it is important that it is easy to access proceedings. We are closely monitoring the situation and need a record of all people who have encountered problems.

b) Thursday, May 28th 2020

No agenda items for East Hoathly or Halland.

c) Next meeting June 18th. The agenda should be out by June 10th 2020:
