Many of you will already have been notified that the Hesmonds Application for 205 houses is coming before the Planning Committee South virtual meeting on July 16<sup>th</sup> 2020. The meeting will start at 10.30am and you can view it live.

A link for live viewing will be put on the Website below. Hesmonds is agenda item 7 - as the first six agenda items should be of a short duration, the Hesmond's discussion should be quite soon after the 10:30am start.

After you use the link above, scroll down to "This link will be live from ....." and click on this to get to the meeting.

Today, you can scroll down further to the Media Link and be able to view the three objectors' video links speaking against the application: they are Jonathan Walker, John Tarry and Dr Nicholas Doggett. Wealden, it seems, have spelt both Jonathan and Tarry incorrectly.

Thank **you** for all your support against this application over four years. We have close to 1,000 objections.
