Subject: Village Concerns Update 57 - Hesmond's amendment and Community Land Trust
Date: 20 January 2019 at 09:44
To: Village Concerns villageconcerns2016@gmail.com

1. We are aware that you have received a communication from Wealden District Council, regarding an amendment to WD/2016/2796/MAO which is the Hesmond's Stud Hybrid Planning Application for the 205 homes along the London and Waldron Roads.

The amendment is the removal of the Ailies Lane site.

Village Concerns is studying this amendment and will let you know our advice about how to proceed, shortly.

2. We would like to call to your attention the public meeting called by the East Hoathly and Halland Community Land Trust, on February 26th. More information is on the attached document.

Thank you.

Village Concerns Steering Committee

East Hoathly With Halland Community Land Trust

Steering Committee

Invite you to come and learn more about the creation of the
East Hoathly with Halland Community Land Trust (CLT)
and its aims to provide a small number of houses in the parish that will be

Genuinely Affordable

Design Appropriate

Ecologically Sound

**Held in perpetuity for the people of the parish
and that will give back to the parish for generations to come**

This is a community driven project by local people, for local people.

Tuesday 26th February 2019

3pm until 8pm

The Village Hall, East Hoathly.

- Displays
- Information about CLTs
- How you can be involved
- Architectural information
- Children's design area
- Refreshments
- Have your say
